Sex- Pol Female-Ženski | Date of birth- Datum rođenja 13.02.1962.

SCIENCE  
POSITION  
НАУЧНО ЗВАЊЕ

Research Associate - Naučni saradnik

WORK EXPERIENCE  
РАДНО ИСКУСТВО**Still going****Institute for Forestry, Kneza Visaslava 3, Belgrade. [www.forest.org.rs](http://www.forest.org.rs)**

Research Associate, Department of Forest protection, Laboratory for investigation – Department of plant diseases

EDUCATION AND TRAINING  
ОБРАЗОВАЊЕ И ОБУКА

2010

**(PhD) Doctor of Environmental Sciences, Ecology, Phytopathology,  
Forest protection**

University Singidunum , Faculty for Applied Ecology Futura, Belgrade, Serbia

- 1999

**(Msc) Biotechnological sciences, Phytopathology, Wood Protection**  
 University of Belgrade, Faculty of Forestry, Department of Forest Protection, Phytopathology, Wood Destructor Fungi
- 1985

**(Bsc.) Engineer of Forestry**  
 University of Belgrade, Faculty of Forestry, Department of Forestry
- 1980

**Graduated from grammar school**  
 XIII Belgrade Grammar school, Belgrade, Serbia

**PERSONAL SKILLS**

### Projects

1. "Research of the causes of forest dieback, particularly of oak forests, and finding measures for the protection, maintenance and restoration of endangered forests"
2. "Research on the occurrence and causes of dieback of forests, parks and alleys in the Belgrade area";
3. "Dieback of some species of the *Quercus subgenus* and its intraspecific forms";
4. " Services for reporting, diagnosis and prognosis of the protection of forests and forest plantations";
5. "Laboratory testing of the means for impregnation based on aromatic oils – efficiency of the means against epixyloous fungi";
6. "Research of the opportunities for biological recultivation of soil surfaces mechanically disturbed by coal exploitation pits";
7. "Structural and production characteristics of artificially established stands of conifers and proposal of optimal management measures" (Project within the Program of Technological Development)
8. BTN.6.1.0.7232.A: "Wood production in coppice beech forests to meet the growing needs of the market" (Research and development project within the framework of the National Program of Biotechnology and Agroindustry) (2002 to 2004). Engagement from April 2004 to 31<sup>st</sup> March, 2005;
9. BTN.6.3.0.0720.A: "Protection of forest areas, medicinal herbs and forest fruits and the development of new biological products" (Research and Development Project within the framework of the National Program of Biotechnology and Agroindustry) engagement from April 2004 to 31<sup>st</sup> March, 2005;
10. TR-6823 " Testing of the compatibility of mineral oils and chemical insecticides with *Bacillus thuringiensis* var. *Kurstaki* and the possibility of their mixing in the aim of suppression of outbreaking insect species"(2005-2007)
11. TR-6804"Method of evaluating the quality and assortment structure of high beech stands in Serbia"2005-2007)
12. "Assessment and monitoring of the impacts of air pollution and its effects on forest ecosystems in the territory of the Republic of Serbia" ("Health testing of trees at monitoring plots") (Forest Directorate Project);
13. "Reporting - diagnostic - forecasting activities in the field of plant protection - protection of forests in Central Serbia" (Forest Directorate Project);
14. "Testing of biological efficacy of the insecticide Dimilin SC 480 ";
15. TR 20202: "The development of biotechnological methods for establishment and improvement of forest ecosystems" (2009- 2010).
16. TR 31070: "Development of technological processes in forestry in order to attain optimal forest cover" (2011- 2015)

### Проекти

1. "Istraživanje pojave i uzroka sušenja šuma, posebno sušenja hrastovih šuma i iznalaženje mera zaštite, održavanja i obnove ugroženih šuma";
2. "Istraživanja pojave i uzroka sušenja šuma, parkova i drvoreda na području Beograda";
3. "Sušenje nekih vrsta subgenusa *Quercus* i njegovih intraspecijskih oblika";
4. "Izveštajno-dijagnosto -prognozne službe zaštite šuma i šumskih kultura";
5. "Laboratorijska ispitivanja sredstava za impregnaciju na bazi aromatskih ulja - efikasnost sredstava na epiksilne gljive";
6. "Istraživanje mogućnosti rekultivacije biološkim putem, mehanički poremećenih zemljišta površinskim kopovima kod eksploatacije uglja";
7. "Strukture i proizvodne karakteristike veštački podignutih sastojina četinaru i predlog optimalnih mera gazdovanja", (Projekat u okviru Programa Tehnološkog razvoja)
8. BTN.6.1.0.7232.A: "Proizvodnja drveta u izdanačkim bukovicima za zadovoljenje narastajućih potreba tržišta", (Istraživačko razvojni Projekat u okviru Nacionalnog Programa Biotehnologije i Agroindustrije) (2002.-2004.) angažovanje od aprila 2004.-31.03.2005.;
9. BTN.6.3.0.0720.A: "Zaštita šumskih područja, proizvodnja lekovitog bilja i šumskih plodova i razvoj novih bioloških proizvoda", (Istraživačko razvojni Projekat u okviru Nacionalnog Programa Biotehnologije i Agroindustrije) angažovanje od aprila 2004.-31.03.2005.;
10. TP.6823.A: "Ispitivanje kompatibilnosti mineralnih ulja i hemijskih insekticida sa *Bacillus thuringiensis* var. *kurstaki* i mogućnosti njihovog mešanja u cilju suzbijanja prenamnoženja gradogenih vrsta insekata" (2005.-2007.);
11. TP.6804.A: "Metod procene kvaliteta i sortimentne strukture visokih sastojina bukve u Srbiji"(2005.-2007.);
12. "Procena i praćenje uticaja zagađenja vazduha u efekata istog u šumskim ekosistemima na teritoriji republike Srbije" ("Ispitivanje zdravstvenog stanja stabala na bioindikacijskim tačkama") (Projekat Uprave za šume);
13. "Izveštajno - dijagnosto - prognozni poslovi u oblasti zaštite bilja - zaštite šuma u centralnoj Srbiji" (Projekat Uprave za šume) ;
14. "Ispitivanje biološke efikasnosti insekticida Dimilin -SC 480";
15. TR 20202: "Razvoj biotehnoških metoda pri osnivanju i unapređenju šumskih ekosistema"(2009.-2010.)
16. TR 31070: "Razvoj tehnoloških postupaka u šumarstvu u cilju realizacije optimalne šumovitosti" (2011.- 2015.)

### Reports

#### Извештаји

### Conferences

- Congress: "The biology of forest destructions", Budapest, 1989.
- XX Conference of Yugoslav entomologists, Pula, 1990.
- VII Yugoslav Symposium on plant protection, Opatija, 1990.
- Symposium "Contemporary methods of afforestation, tending and protection in the conservation and extension of the forest stock of Serbia", Arandelovac, 1990.
- Symposium "Nedeljko Košanin and natural sciences", Ivanjica, 1990.
- Conference "State and problems of forest protection in Serbia", Vrnjačka Banja, 1992.
- Symposium on ecology „ Our ecological truth", Zaječar, 1993.

- Yugoslav conference "Health condition of forests in FR Yugoslavia", Aranđelovac, 1994.
- Conference "Green areas in the urbanistic development of the city of Belgrade", Belgrade, 1994.
- III Yugoslav Congress on Plant Protection, Vrnjačka Banja, 1994.
- II Scientific-professional conference on natural values and environmental protection, Borsko lake, 1994.
- Sericultural Experiment Station, Wratza, Bulgaria, 1996.
- V Congress of Yugoslav Ecologists, Belgrade, 1996.
- ICFWST, 97, 3<sup>rd</sup> International Conference on the Development of Forestry, Wood Science and Technology, Vol.1, Belgrade & Goč, Serbia, 1997.
- International Scientific Symposium 50 years – Faculty of Forestry, Skopje, 1997.
- Jubilee Scientific Conference with International participation, 70-th anniversary of the Forest Research Institute of the Bulgarian Academy of Sciences, 6. – 7<sup>th</sup> October, Sofia, 1998.
- IV Yugoslav Congress of Plant Protection , 21. – 26<sup>th</sup> September, Vrnjačka Banja, 1998.
- XI Yugoslav Symposium on plant protection with international participants, Zlatibor, December, 2000.
- Conference "Forests, wood and the environment", Belgrade, March, 2000.
- 4<sup>rd</sup> IUFRO Symposium "Wood structure and Properties '02", edited by Jozef Kúdel' a, Arbora Publishers, Zvolen, Slovakia, 2002.
- 75 years of the Forest Research Institute of Bulgarian Academy of Sciences", 1-5 October. Sofia. Bulgaria, 2003.
- VII Conference on plant protection, Soko Banja, 15<sup>th</sup> -18<sup>th</sup> November, 2005.
- "International Scientific Conference on the occasion of 60 years of work of the Institute of Forestry", Belgrade, Serbia. Sustainable Use of Forest Ecosystems-The Challenge of the 21<sup>st</sup> Century, 8-10<sup>th</sup> November, Donji Milanovac, 2006.
- International Organisation for Biological Control of Noxious Animals and Plants (IOBC)/ East Palearctic Regional Section - International conference "Biological methods in Integrated plant protection and production", Information bulletin EPRS IOBC, 37 : 63-71, Poznań - Pushkino, Poland – Russian Federation, 2007.
- International Scientific Conference "Integral protection of Forests Scientific – Technological platform", Belgrade, 12th December, 2007.
- IUFRO Working Party 7.03.10, Methodology of Forest Insects and Disease Survey in Central Europe, 9th workshop "Insects and Fungi in Storm Areas" in Slovakia, Štrbské Pleso, November 30, 2009.
- International scientific conference "Globalization and the environment", Belgrade, 22-24th April, 2009.
- International Scientific Conference – Forest Ecosystems and Climate Changes, Serbia, Belgrade, March 9-10<sup>th</sup>, 2010.
- 6<sup>th</sup> CMAPSEEC Conference on Aromatic and Medicinal Plants of Southeast European Countries, Antalya, Turkey, april 18-22, 2010.
- PETRIA Giornale di Patologia delle Piante, Proceedings „13th Congress of the Mediterranean Phytopathological Union (MPU)", 20-25 June, Rome – Italy, 2010.
- International Conference for Entrepreneurship, Innovation and Regional Development (ICEIRD 2011), 04.-07. May, Ohrid, Macedonia, 2011.
- International Scientific Conference on "Management of Technologies - Step to Sustainable Production" (MOTSP 2011), 8-10. June, in Bol, Island Brac, Croatia, 2011.
- IV International Conference on Environmental, Industrial and Applied Microbiology – Biomicroworld2011, Torremolinos, Spain 14-16 September 2011.
- International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, Belgrade, 2012.
- ICEIRD 2012 "5<sup>th</sup> International Conference on Entrepreneurship, Innovation and Regional Development", 1-2 June, Sofia, Bulgaria, 2012.
- 13<sup>th</sup> International Congress of the Society for Ethnopharmacology, Graz, Austria, September 2-6, 2012.
- ICAE 2013: "International Conference on Agricultural Engineering", World Academy of Science, Engineering and Technology, Paris, France, 27-28 June 2013.
- III International Symposium and XIX Scientific Conference of Agronomists of Republic of Srpska, Trebinje, Bosnia and Hercegovina, March 25-28, 2014.
- Expert panel Meeting on Ambient Air Quality Biodiversity and Ground Vegetation, Growth and Meteorology and Phenology, Eberswalde, Germany, 03-06 March, 2014.
- 3<sup>rd</sup> ICP Forests Scientific Conference "Impact of nitrogen deposition and ozone on the climate change mitigation potential and sustainability of European forests", May 26-28, Athens, Greece, 2014.
- International Scientific Conference „Ecological Improvement of devastated Sites for Sustainable development“, Belgrade, Serbia 29-30 September, 2014.
- IOBC-WPRS Working Group "Integrated Plant Protection in Fruit Crops", Sub Groups "Pome fruit arthropods" and "Stone fruits", Vienna, 06-09 October 2014.
- V International Scientific Agricultural Symposium "Agrosym 2014", Jahorina 23-26 October 2014.

#### Конференције

- Kongres: "The biology of forest destructions", Budapest, 1989.
- XX Skup entomologa Jugoslavije, Pula, 1990.

#### Seminars

1.1. Participation at the seminar within the **Twinning Project SR 2005/IB/AG/02** (Project financed by the European Union) "**Workshop on implementation of Plant Passport in the Republic of Serbia**", 28th February, 2011, Belgrade.

1.2. Participation at the seminar "**Workshops on emergency measures against harmful organisms**" **AGR 46008**, organized by **Technical Assistance Information Exchange Instrument of the European Commission, CHAR 03/149 , B - 1049 Brussels**, in cooperation with the Ministry of education and Science of the Republic of Serbia, 15th December, 2011, Belgrade.

1.3. Participation at the seminar within the **Twinning Project SR/08/IB/AG/01** (Project financed by the European Union) "**Harmonisation of national legislation with EU legislation for placing on the market and control of Plant Protection Products and implementation of new legal provisions**" **Workshop: "Sustainable Use and Pesticides"**, 23<sup>rd</sup> and 24<sup>th</sup> Aprila 2013 in Belgrade in cooperation with Health Safety Executive, Chemical Regulation Directorate UK, Ministry of Agriculture, forestry and water management and Plant protection directorate of RS.

#### Семинари

1.1. Učestvovala na seminaru u okviru **Twinning Project SR 2005/IB/AG/02** (Project financed by the European Union) "**Workshop on implementation of Plant Passport in the Republic of Serbia**", održanom 28.02.2011. u Beogradu.

1.2. Učestvovala na seminaru "**Workshops on emergency measures against harmful organisms**" **AGR 46008**, koji je organizovao **Technical Assistance Information Exchange Instrument of the European Commission, CHAR 03/149 , B - 1049 Brussels**, u saradnji sa Ministarstvom prosvete i nauke Republike Srbije, održanom 15.12.2011. u Beogradu.

1.3. Učestvovala na seminaru u okviru **Twinning Project SR/08/IB/AG/01** (Project financed by the European Union) **"Harmonisation of national legislation with EU legislation for placing on the market and control of Plant Protection Products and implementation of new legal provisions"** ("Usaglašavanje nacionalnih propisa u oblasti registracije i kontrole sredstava za zaštitu bilja, sa propisima Evropske Unije i primena novih zakonskih propisa"). Radionica o održivoj upotrebi pesticida - **Workshop: "Sustainable Use and Pesticides"**, održana 23. i 24. aprila 2013. u Beogradu, u saradnji sa Heat Safety Executive, Chemical Regulation Directorate UK, Ministarstvom poljoprivrede, šumarstva i vodoprivrede i Uprave za zaštitu bilja RS.

#### Honours and awards Награде и признања

#### Memberships

- Member of the Scientific board of the Institute of Forestry (decision no. 62-10/3830 of 30th November, 2011.)
- Member of the Plant protection society of Serbia - Belgrade
- Member of the Association of forest engineers and technicians (DIT-a)

#### Чланства

- Član Naučnog veća Instituta za šumarstvo (odluka br. 62-10/3830 od 30.11.2011.)
- Član društva za zaštitu bilja Srbije - Beograd
- Član udruženja šumarskih inženjera i tehničara (DIT-a)

#### References Референце

##### Membership in the editorial board of a journal

Participation at the international scientific conference "Forests in the Future-Sustainable Use, Risks and Challenges" as a member of the Scientific Board, 04th - 06th October, 2012, Belgrade, Serbia.

##### Članstva u uređivačkim odborima naučnih časopisa

Učestvovala kao član Naučnog odbora u radu međunarodne naučne konferencije **Šume u budućnosti – održivo korišćenje, rizici i izazovi** (International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges"), održane od 04. do 06. oktobra 2012. u Beogradu, Srbija.

## Reviews

### Рецензије

#### Reviews of papers from the SCI list

2.1. Review of the paper **Effect of shiitake (*Lentinula edodes*) mushroom on laying performance, egg quality, fatty acid composition and cholesterol concentration of eggs in layer chickens** (Invitation to Review JMPR-11-1351), for the foreign journal **Journal of Medicinal Plants Research** ISSN 1996-0875 (ISI INDEXED JOURNAL; IMPACT FACTOR 0.879). The paper received for review on 19.10.2011. The review sent on 21.10.2011.

2.2. Review of the paper **Effect of growth phase, protective agents, rehydration media and stress pretreatments on viability of *Oenococcus oeni* subjected to freeze-drying** (Invitation to Review AJMR-11-1336), for the foreign journal **African Journal of Microbiology Research** ISSN 1996-0808 (ISI INDEXED JOURNAL; IMPACT FACTOR 0.407). The paper received for review on 24.11.2011. The review sent on 28.11.2011.

2.3. Review of the paper **The antitumor activities of *Lentinus edodes* C<sub>91-3</sub> mycelia fermentation protein on S<sub>180</sub> (mouse sarcoma cell) in vitro and in vivo** (Invitation to Review JMPR-11-1765), for the foreign journal **Journal of Medicinal Plants Research** ISSN 1996-0875 (ISI INDEXED JOURNAL; IMPACT FACTOR 0.879). The paper received for review on 30.12.2011. The review sent on 04.01.2012.

2.4. Review of the paper **The Design of the Multi-channels Control System of Real Time Grading Line of Mushrooms**, (Invitation to Review AJAR-12-430), for the foreign journal **African Journal of Agricultural Research** (IMPACT FACTOR 0.263). The paper received for review on 22.03.2012. The review sent on 26.03.2012.

2.5. Review of the paper **Immunogenetic Regulation of HLA-DR, DQ, DP and CD1a positive cells in the pathogenesis of Keloid and hypertrophic scar**, (Invitation to Review AJAR-12-1450), for the foreign journal **African Journal of Microbiology Research** (ISSN 1996-0808, ISI INDEXED JOURNAL; IMPACT FACTOR 0.564). The paper received for review on 10.08.2012. The review sent on 13.08.2012.

2.6. Review of the paper **Anti-viral Activity of *Hydnellum concrescens*, a Medicinal Mushroom**, (Review AJB-12-2171), for the foreign journal **African Journal of Biotechnology**, ISSN 1684-5315. The paper received for review on 21.08.2012. The review sent on 15.09.2012.

2.7. Review of the paper **Optimization of different physio-chemical factors for biomass production of *Schizophyllum commune*, A Medicinal Mushroom under submerged culture conditions**, (Review AJB-12-2248), for the foreign journal **African Journal of Biotechnology**, ISSN 1684-5315. Paper received for review on 21.08.2012. The review sent on 15.09.2012.

2.8. Review of the paper **Inhibitory and Disruptive Effects of Shiitake Mushroom (*Lentinula edodes*) Essential oil Extract on Oral Biofilms**, (Invitation to Review JMPR-12-1266), for the foreign journal **Journal of Medicinal Plants Research** ISSN 1996-0875 (ISI INDEXED JOURNAL; IMPACT FACTOR 0.879). The paper received for review on 12.02.2013. The review sent on 14.02.2013.

2.9. Review of the paper **Survey and Proximate Analysis of Edible Mushrooms in Engu State, Nigeria**, (Invitation to Review 2014\_JSRR\_11130), for the foreign journal **Journal of Scientific Research and Reports**. The paper received for review on 10.05.2014. The review sent on 12.05.2014.

2.10. Review of the paper **Mushroom Biotechnology in Nigeria – Implications for Food Security, Environment and Public Health**, (Invitation to Review 2014\_JABB\_14197), for the foreign journal **Journal of Advances in Biology and Biotechnology**. The paper received for review on 30.09.2014. The review sent on 01.10.2014.

#### Recenzije radova sa SCI liste

2.1. Radila recenziju rada **Effect of shiitake (*Lentinula edodes*) mushroom on laying performance, egg quality, fatty acid composition and cholesterol concentration of eggs in layer chickens** (Invitation to Review JMPR-11-1351), za strani časopis **Journal of Medicinal Plants Research** ISSN 1996-0875 (ISI INDEXED JOURNAL; IMPACT FACTOR 0.879). Rad za recenziju primljen 19.10.2011., a recenzija poslata 21.10.2011. godine.

2.2. Radila recenziju rada **Effect of growth phase, protective agents, rehydration media and stress pretreatments on viability of *Oenococcus oeni* subjected to freeze-drying** (Invitation to Review AJMR-11-1336), za strani časopis **African Journal of Microbiology Research** ISSN 1996-0808 (ISI INDEXED JOURNAL; IMPACT FACTOR 0.407). Rad za recenziju primljen 24.11.2011., a recenzija poslata 28.11.2011. godine.

2.3. Radila recenziju rada **The antitumor activities of *Lentinus edodes* C<sub>91-3</sub> mycelia fermentation protein on S<sub>180</sub> (mouse sarcoma cell) in vitro and in vivo** (Invitation to Review JMPR-11-1765), za strani časopis **Journal of Medicinal Plants Research** ISSN 1996-0875 (ISI INDEXED JOURNAL; IMPACT FACTOR 0.879). Rad za recenziju primljen 30.12.2011., a recenzija poslata 04.01.2012. godine.

2.4. Radila recenziju rada **The Design of the Multi-channels Control System of Real Time Grading Line of Mushrooms**, (Invitation to Review AJAR-12-430), za strani časopis **African Journal of Agricultural Research** (IMPACT FACTOR 0.263). Rad za recenziju primljen 22.03.2012., a recenzija poslata 26.03.2012. godine.

2.5. Radila recenziju rada **Immunogenetic Regulation of HLA-DR, DQ, DP and CD1a positive cells in the pathogenesis of Keloid and hypertrophic scar**, (Invitation to Review AJAR-12-1450), za strani časopis **African Journal of Microbiology Research** (ISSN 1996-0808, ISI INDEXED JOURNAL; IMPACT FACTOR 0.564). Rad za recenziju primljen 10.08.2012., a recenzija poslata 13.08.2012. godine.

2.6. Radila recenziju rada **Anti-viral Activity of Hydnellum concrescens, a Medicinal Mushroom**, (Review AJB-12-2171), za strani časopis **African Journal of Biotechnology**, ISSN 1684-5315. Rad za recenziju primljen 21.08.2012., a recenzija poslata 15.09.2012. godine.

2.7. Radila recenziju rada **Optimization of different physio-chemical factors for biomass production of Schizophyllum commune, A Medicinal Mushroom under submerged culture conditions**, (Review AJB-12-2248), za strani časopis **African Journal of Biotechnology**, ISSN 1684-5315. Rad za recenziju primljen 21.08.2012., a recenzija poslata 15.09.2012. godine.

2.8. Radila recenziju rada **Inhibitory and Disruptive Effects of Shiitake Mushroom (*Lentinula edodes*) Essential oil Extract on Oral Biofilms**, (Invitation to Review JMPR-12-1266), za strani časopis **Journal of Medicinal Plants Research** ISSN 1996-0875 (ISI INDEXED JOURNAL; IMPACT FACTOR 0.879). Rad za recenziju primljen 12.02.2013., a recenzija poslata 14.02.2013. godine.

2.9. Radila recenziju rada **Survey and Proximate Analysis of Edible Mushrooms in Engu State, Nigeria**, (Invitation to Review 2014\_JSRR\_11130), za strani časopis **Journal of Scientific Research and Reports**. Rad za recenziju primljen 10.05.2014., a recenzija poslata 12.05.2014. godine.

2.10. Radila recenziju rada **Mushroom Biotechnology in Nigeria – Implications for Food Security, Environment and Public Health**, (Invitation to Review 2014\_JABB\_14197), za strani časopis **Journal of Advances in Biology and Biotechnology**. Rad za recenziju primljen 30.09.2014., a recenzija poslata 01.10.2014. godine.

#### Reviews of papers published at international scientific conferences

3.1. Review of the paper **The Prospect of a Short-Term Preservation of the Oak Logs at the Forest Storages using Environmentally Friendly Preservatives**, (Review 105), for the International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, 2012, Belgrade, Serbia. The paper received for review on 14.11.2012. The review sent on 15.11.2012.

3.2. Review of the paper **Survival of Five Wood Decaying Fungi Treated with the certain Environmentally Friendly Wood - Preservatives *in vitro***, (Review 111), for the International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, 2012, Belgrade, Serbia. The paper received for review on 14.11.2012. The review sent on 15.11.2012.

3.3. Review of the paper **The most common insects and diseases of oak seeds in central part of Serbia**, (Review 101), for the International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, 2012, Belgrade, Serbia. The paper received for review on 15.11.2012. The review sent on 16.11.2012.

3.4. Review of the paper **The antioxidative capacity of four basidiomycetous fungal species from Fruska Gora provenance as a potential biochemical indicators of Environmental disturbance**, (Review 130), for the International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, 2012, Belgrade, Serbia. The paper received for review on 20.11.2012. The review sent on 26.11.2012.

3.5. Review of the paper **Use and Efficiency of Soil Herbicides in Controlling Common Ragweed (*Ambrosia artemisiifolia* L.) in Spruce seedlings (*Picea abies* L. Karst) production**, (Review 50), for the International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, 2012, Belgrade, Serbia. The paper received for review on 03.12.2012. The review sent on 04.12.2012.

#### Recenzije radova objavljenih na međunarodnim naučnim konferencijama

3.1. Radila recenziju rada **The Prospect of a Short-Term Preservation of the Oak Logs at the Forest Storages using Environmentally Friendly Preservatives**, (Review 105), za međunarodnu naučnu konferenciju International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, 2012, Belgrade, Serbia. Rad za recenziju primljen 14.11.2012., a recenzija poslata 15.11.2012. godine.

3.2. Radila recenziju rada **Survival of Five Wood Decaying Fungi Treated with the certain Environmentally Friendly Wood - Preservatives *in vitro***, (Review 111), za međunarodnu naučnu konferenciju International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, 2012, Belgrade, Serbia. Rad za recenziju primljen 14.11.2012., a recenzija poslata 15.11.2012. godine.

3.3. Radila recenziju rada **The most common insects and diseases of oak seeds in central part of Serbia**, (Review 101), za međunarodnu naučnu konferenciju International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, 2012, Belgrade, Serbia. Rad za recenziju primljen 15.11.2012., a recenzija poslata 16.11.2012. godine.

3.4. Radila recenziju rada **The antioxidative capacity of four basidiomycetous fungal species from Fruska Gora provenance as a potential biochemical indicators of Environmental disturbance**, (Review 130), za međunarodnu naučnu konferenciju International Scientific Conference "Forests in the Future-Sustainable Use, Risks and Challenges", 4-6th October, 2012, Belgrade, Serbia.
