

PERSONAL INFORMATION

First name(s)/Surname(s) Nevena Čule (maiden Nešić)
 E-mail nevena.cule@yahoo.com ; nevena.cule@forest.org.rs
 Web www.forest.org.rs
 Gender female
 Date of birth 01/04/1974
 Nationality Serbian

SCIENCE POSITION Research associate

WORK EXPERIENCE

<p>Dates</p> <p>Name and address of employer</p> <p>Occupation or position held</p> <p>Main activities and responsibilities (main research areas)</p>	<p>2017 - present</p> <p>Institute of Forestry, Belgrade, 3 Kneza Višeslava, 11030 Belgrade, www.forest.org.rs</p> <p>Research associate at the Department of Environmental Protection</p> <p>phytoremediation, environmental protection, biological reclamation of degraded areas, landscape architecture, landscape design, urban forestry, applied flora research, biomass</p>
<p>Dates</p> <p>Name and address of employer</p> <p>Occupation or position held</p> <p>Main activities and responsibilities (main research areas)</p>	<p>2007 - 2017</p> <p>Institute of Forestry, Belgrade, 3 Kneza Višeslava, 11030 Belgrade, www.forest.org.rs</p> <p>Research Assistant at the Department of Environmental Protection</p> <p>phytoremediation, environmental protection, biological reclamation of degraded areas, landscape architecture, landscape design, urban forestry, applied flora research, biomass</p>
<p>Dates</p> <p>Name and address of employer</p> <p>Occupation or position held</p> <p>Main activities and responsibilities (main research areas)</p>	<p>2005 - 2007</p> <p>Institute of Forestry, Belgrade, 3 Kneza Višeslava, 11030 Belgrade, www.forest.org.rs</p> <p>Research trainee at the Department of Environmental Protection</p> <p>phytoremediation, environmental protection, biological reclamation of degraded areas, landscape architecture, landscape design, urban forestry, applied flora research, biomass</p>
<p>Dates</p> <p>Name and address of employer</p> <p>Occupation or position held</p>	<p>during 2005</p> <p>Institute of Forestry, Belgrade, 3 Kneza Višeslava, 11030 Belgrade, www.forest.org.rs</p> <p>Volunteer at the Department of Environmental Protection</p>

Main activities and responsibilities (main research areas)	urban forestry, landscape architecture
Dates	during 2004
Name and address of employer	Institute of Multidisciplinary Research (IMSI), University of Belgrade, 1 Kneza Višeslava, 11030 Belgrade, www.imsi.bg.ac.rs
Occupation or position held	Volunteer at the Laboratory for Environmental Protection at the Department of Natural Resources and Environment
Main activities and responsibilities (main research areas)	phytoremediation
EDUCATION AND TRAINING	
Dates	2004 - 2016
Title of qualification awarded	Doctor of Science in Multidisciplinary Scientific fields - Environmental Management
Principal subjects/occupational skills covered	Environmental Management
Name and type of organisation providing education and training	University of Belgrade, Doctoral studies in interdisciplinary and multidisciplinary scientific fields
Qualification according to the levels of the National Qualifications Framework	8 th level (1 st -8 th)
GPA in national classification	9,63 (6-10)
Doctoral Dissertation	Phytoremediation of polluted water by plant <i>Canna indica</i> L. and selected decorative macrophytes
Dates	during 2014
Principal subjects/occupational skills covered	System operator for “Agilent Vista Series ICP-OES with ICP Expert Software”
Name and type of organisation providing education and training	DSP Chromatography, Milutina Milankovića 120g, 11000 Belgrade, Serbia, http://www.dsp-c.co.rs/
Dates	1999 -2000
Principal subjects/occupational skills covered	Environmental Management

Name and type of organisation providing education and training	Alternative Academic Educational Network (AAEN), 11000 Belgrade, Serbia, http://www.cep.edu.rs/history
Specialist thesis	Postgraduate education programme „Environment - Challenge for Science, Technology, Society“ Purification of municipal wastewater by aquatic plants
Dates	1993 - 2004
Title of qualification awarded	Graduated forestry engineer of landscape architecture
Principal subjects/occupational skills covered	Landscape architecture
Name and type of organisation providing education and training	University of Belgrade, Faculty of Forestry
Qualification according to the levels of the National Qualifications Framework	7 th level (1 st -8 th)
GPA in national classification	9,28 (6-10)
Graduation thesis	Constructed wetlands for the treatment of domestic wastewater
Dates	1989 - 1993
Title of qualification awarded	Associate in natural sciences
Qualification according to the levels of the National Qualifications Framework	4 th level (1 st -8 th)
Name and type of organisation providing education and training	X High school “Mihajlo Pupin”, 11070 Belgrade, Serbia

PERSONAL SKILLS AND COMPETENCES

Mother tongue(s)	Serbian				
Other language(s) Self-assessment European level (*)	Understanding		Speaking		Writing
	Listening	Reading	Spoken interaction	Spoken production	
English	C2	C2	C2	C2	C2
French	B2	B2	B1	A2	A1
Greek	A2	A2	A2	A1	A1

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2: Proficient user

* Common European Framework of Reference for Languages

- Social skills and competences**
- Communicative and cheerful
 - Willing to take initiative, but able to adapt and work in a team (the ability acquired by taking part in various international student workshops and participating in various projects at the place of work)
 - Humanist (NGO and NPO “Real Help” for providing assistance to refugees and displaced persons)
- Organisational skills and competences**
- Organizing practical classes for students (the ability acquired during the studies and working as a demonstrator at course Botany and anatomy of wood, Faculty of Forestry, University of Belgrade, 1997)
 - Organizing lectures (the ability acquired by presenting invitation lectures to foreign students at the Faculty of Agriculture, University of Belgrade, in the summer school, “Information & technology transfer on renewable energy sources for sustainable agriculture, food chain and HFA” 2001/2004, Sustainability Research and Education via Inter disciplinarians and Harmony, Education and Training Workshop, Belgrade. Topic: Purification of domestic wastewater by aquatic plants)
 - Project Coordinator (the ability acquired during work on different projects at the place of employment: Developing Capacities of the Private Sector for Sustainable Management of Forests in the Republic of Serbia, Slovak ODA Bratislava-Belgrade Fund Component, Contract No. NPOA / G44 / 2005. The international project, 2006; Revitalization of Topciderka River by biological systems for purification of polluted waters. City of Belgrade - Belgrade City Administration - Secretariat for Environmental Protection, 2014 - 2016)
 - Flexibility and multitasking (the ability acquired through education and work)
 - Meeting deadlines and fulfilling tasks within the team (the ability acquired during work on numerous projects at the place of employment)
- Technical skills and competences**
- Works on ICP - OES (Inductively coupled plasma - Optical Emission Spectroscopy) (the ability acquired through training and practice , since 2014)
 - Works on Microwave Digestions system (the ability acquired through training and practice, since 2004)

Digital competences

Self-assessment				
Information processing	Communication	Content creation	Safety	Problem solving
Proficient user	Proficient user	Independent to Proficient user	Independent user	Independent user

Levels: Basic user - Independent user - Proficient user
 * Digital competences - Self-assessment grid

Computer skills and competences

- Excellent knowledge of Microsoft Office programs (Word, Excel, PowerPoint, Visio, Publisher)
- Excellent knowledge of Adobe Acrobat Professional software application
- Excellent knowledge of specialized landscape design applications (PUNCH! Master Landscape & Home Design, Total 3D Landscape, Complete 3d Land Designer)
- Good knowledge of specialized engineering software applications (AutoCAD, ArhiCAD, Artlantis).
- Good knowledge of graphic design software applications (Corel, Photoshop, Illustrator)

Other skills and competences

- Tennis, yoga, painting, photography, travel and camping, bonsai

Driving licence B

ADDITIONAL INFORMATION

Publications

- Afforestation strategy of the City of Belgrade. Publisher: Institute of Forestry, Belgrade. Year of publishing: 2009, Monograph, 276 pp., 630*233(497.11), 630*91(497.11), ISBN 978-86-80439-17-4.
- Monitoring and assessment of air pollution and its effects on forest ecosystems in Serbia - Forest condition monitoring - Level I and Level II. Editor: Nevenić, R., Publisher: Institute of Forestry, Belgrade and Ministry of agriculture, forestry and water management of Republic of Serbia – Forest Directorate. Year of publishing: 2016, Monograph, 291 pp, 630*1:502.175(497.11), ISBN 978-86-80439-35-8.
- Monitoring and assessment of air pollution and its effects on forest ecosystems in Serbia - Forest condition monitoring - Level I and Level II. Editor: Nevenić, R., Publisher: Institute of Forestry, Belgrade and Ministry of agriculture, forestry and water management of Republic of Serbia – Forest Directorate. Year of publishing: 2017, Monograph, 275 pp, 630*1:502.175(497.11), ISBN 978-86-80439-35-8.

Projects

Ministry of Education, Science and Technological Development of the Republic of Serbia

- The method of assessing quality and assortment structure of beech high stands in Serbia. Institute of Forestry, Belgrade. Project number TP-6804A, Project within the Program of Technological Development, Ministry of Science and Environmental Protection (2005- 2006).
- Research on the possibility of energy biomass production from forest short-rotation plantations in the areas degraded by surface coal exploitation. Institute of Forestry, Belgrade. Project number: 273015, Ministry of Science and Environmental Protection. Technology Development Projects - Program “Energy Efficiency” (2006 - 2009).
- Research on the possibility of energy biomass production in the forest short-rotation plantations within the electro-energetic power system of Serbia. Institute of Forestry, Belgrade. Project number: TP 18201a, Ministry of Science and Environmental Protection. Technology Development Projects - Program “Energy Efficiency” (2009 - 2010).

International projects	<ul style="list-style-type: none"> - Development of technological procedures in forestry in order to attain optimum forest cover. Institute of Forestry, Belgrade. Project number 31070, Ministry of Education, Science and Technological Development of the Republic of Serbia, Technology Development Projects – Biotechnology and Agriculture (2011-2017). - Developing Capacities of the Private Sector for Sustainable Management of Forests in the Republic of Serbia. Institute of Forestry, Belgrade. Slovak ODA Bratislava-Belgrade Fund Component, Contract No. NPOA/G44/2005. (2006.) - IN2WOOD Project. Institute of Forestry, Belgrade. FP7 CAPACITIES Programme “Regions of Knowledge”, Grant Agreement number 24547. (2010. - 2012.) - Monitoring and assessment of air pollution and its effects on forest ecosystems in Serbia. Level 1 and Level 2 . Institute of Forestry, Belgrade. ICP (International Cooperation Program) (2016-2017). - Climate - Smart Forestry in Mountain Regions (CLIMO). CA COST Action A15226 (European Cooperation in Science and Technology) (2017).
Ministry of Environmental Protection and Spatial Planning of the Republic of Serbia	<ul style="list-style-type: none"> - Effects of the changes in the groundwater levels on the state of forests in the riparian area of the river Sava. Institute of Forestry, Belgrade. Ministry of Environmental Protection and Spatial Planning (2008-2009).
Ministry of Agriculture, Forestry and Water Management of the Republic of Serbia - Forest Directorate	<ul style="list-style-type: none"> - Forest fires in the period from 2003 to 2007. Institute of Forestry, Belgrade. Ministry of Agriculture, Forestry and Water Management - Forest Directorate (2008-2009). - Research on modern methods of afforestation in the changing climate conditions (drought, extreme temperatures, etc.). Institute of Forestry, Belgrade. Ministry of Agriculture, Forestry and Water Management - Forest Directorate. (2009). - Improving the methods and technologies of energy biomass production in natural and artificially-established forests. Institute of Forestry, Belgrade. Ministry of Agriculture, Forestry and Water Management - Forest Directorate (2011-2012). - The strategy of scientific research in forestry with an action plan. Institute of Forestry, Belgrade. Ministry of Agriculture, Forestry and Water Management -Forest Directorate (2013). - Assessment of resources and sustainable use of non-timber forest products in Serbia. Institute of Forestry, Belgrade. Ministry of Agriculture, Forestry and Water Management - Forest Directorate (2014-2015).
City of Belgrade - Belgrade City Administration – Secretariat for Environmental protection	<ul style="list-style-type: none"> - Integral valorization of Belgrade forest resources. Institute of Forestry, Belgrade. City of Belgrade - Belgrade City Administration – Secretariat for Environmental protection (2005-2008). - Afforestation strategy of the City of Belgrade. Institute of Forestry, Belgrade. City of Belgrade - Belgrade City Administration – Secretariat for Environmental protection (2008-2009).

Public Enterprise for
Environmental Protection and
Improvement on the territory
of the Municipality of
Obrenovac

- Monitoring of microbial activity of the forest soils in the area of Belgrade as an indicator of environmental quality. Institute of Forestry, Belgrade. City of Belgrade - Belgrade City Administration – Secretariat for Environmental protection (2010-2011).
- Implementation of Afforestation strategy of the City of Belgrade - Development of afforestation plan the City of Belgrade (City Municipality Lazarevac). Institute of Forestry, Belgrade. City of Belgrade - Belgrade City Administration – Secretariat for Environmental protection (2011).
- Research study on conservation and restoration of natural forest ecosystems in the immediate riparian area of the Sava and Danube rivers in the City of Belgrade, in order to valorise their ambiental values and recreation functions. Institute of Forestry, Belgrade. City of Belgrade - Belgrade City Administration – Secretariat for Environmental protection (2009 - 2012).
- Revitalization of Topciderka River by biological systems for purification of polluted waters. Institute of Forestry, Belgrade. City of Belgrade - Belgrade City Administration – Secretariat for Environmental protection (2014 - 2016). Project coordinator.
- Morphological-anatomical and physiological changes in woody species in the parks of Belgrade as an indicator of the state of the environment. Institute of Forestry, Belgrade. City of Belgrade - Belgrade City Administration – Secretariat for Environmental protection (2014 - 2016).
- Register of forest wetland sites and wetland sites on the territory of Belgrade. Institute of Forestry, Belgrade. City of Belgrade - Belgrade City Administration – Secretariat for Environmental protection (2012).
- Study “Register of the public green spaces in the urban area of Obrenovac”. Institute of Forestry, Belgrade. Public Enterprise for Environmental Protection and Improvement on the territory of the Municipality of Obrenovac (2010).
- Study of the state and vulnerability of the vegetation on the Jozića kolibe site in Obrenovac. Institute of Forestry, Belgrade. Public Enterprise for Environmental Protection and Improvement on the territory of the Municipality of Obrenovac (2010).
- Protection Programme for the horse-chestnut tree line in the streets of Vuk Karadzic and Karadjordjeva in Obrenovac. Institute of Forestry, Belgrade. Public Enterprise for Environmental Protection and Improvement on the territory of the Municipality of Obrenovac (2011).
- Study on the rehabilitation of protected tree No.1 in PA “A group of pedunculate oak trees at Jozića koliba“. Institute of Forestry, Belgrade. Public Enterprise for Environmental Protection and Improvement on the territory of the Municipality of Obrenovac (2013).
- Analyses of the state for the horse-chestnut tree line in the streets of Vuk Karadzic and Karadjordjeva in Obrenovac with defining care measures. Institute of Forestry, Belgrade. Public Enterprise for Environmental Protection and Improvement on the territory of the Municipality of Obrenovac (2014).

PE Electric Power Industry of Serbia, MB "Kolubara" Ltd

- Study of the state of tree line line in the streets of Vuk Karadzic in Obrenovac. Institute of Forestry, Belgrade. Public Enterprise for Environmental Protection and Improvement on the territory of the Municipality of Obrenovac (2015).
- Study on the rehabilitation of protected trees (trees 2, 3, 4 and 5) 1 in PA "A group of pedunculate oak trees at Jozića koliba". Institute of Forestry, Belgrade. Public Enterprise for Environmental Protection and Improvement on the territory of the Municipality of Obrenovac (2016).
- The main design of reclamation (by greening and planting) of ash and slag dump of TP Kolubara. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd. (2008).
- Project of reclamation – establishment of a shelterbelt around the landfill of TP Kolubara Veliki Crljeni. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd. (2008).
- The main design of biological reclamation of the open-pit mine "Tamnava - Zapadno polje". Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd., Open-pit mine Barosevac (2008).
- Project of biological reclamation of the final disposal slope of the "Tamnava - Istočno polje" landfill towards the "hippodrome" Cvetovac Sumeđ. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd., Open-pit mine Barosevac (2010).
- Main design of the shelterbelt extending from the Head office building of the open pit mine in Barosevac to the crossroad of old installation. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd., Open-pit mine Barosevac (2010).
- Project of nursery establishment for the production of seedlings for the afforestation and landscaping and the production of lawn turf. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd., Open-pit mine Barosevac (2010).
- Biological reclamation of a part of the final disposal slope of the open-pit mine "Tamnava - Zapadno polje". Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd., Open-pit mine Barosevac (2011).
- Landscape design of the space around the staff dormitory building in Kalenic and the interior design draft. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd., Open-pit mine Barosevac (2011).
- Landscaping project of the centre of Novi Medosevac. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd., Open-pit mine Barosevac (2011).
- Landscaping project of the space around the football field in Cvetovac. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd., Open-pit mine Barosevac (2011).
- Project of the establishment of the shelterbelt on the landfill of the open-pit coal mine "Tamnava - Istočno polje". Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB "Kolubara" Ltd., Open-pit mine Barosevac (2011).

Other projects

- Executive desing of the establishment of energy plantation for the production of woody biomass in MB Kolubara - Pilot project - (Challenge of future biomass potential and its optimized harvesting` in the In2Wood Partner Regions and Mentoring Regions, 2012.). Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB “Kolubara” Ltd., Open-pit mine Barosevac (2012).
- Transplantation of the horse-chestnut tree from the cemetery in Vreoci to new location of the cemetery in Vreoci 2. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB “Kolubara” Ltd., Open-pit mine Barosevac (2012-2013).
- Project of the establishment of the shelterbelt along the unit for homogenizing coal on the landfill of the open-pit coal mine “Tamnava - Istočno polje”. Institute of Forestry, Belgrade. PE Electric Power Industry of Serbia, MB “Kolubara” Ltd., Open-pit mine Barosevac (2015).
- Main technological design of the furniture factory Xinaris XL in Zlot. Faculty of Forestry, University of Belgrade. Topic: Landscaping and greening of the factory site. Investor: Furniture Factory Xinaris XL, Zlot (2003).
- Investment Program of the furniture factory “Beomark Industry Ltd.” in the village of Mosna near Donji Milanovac. Faculty of Forestry, University of Belgrade. Topic: Landscaping and greening of the factory site. Investor: Furniture Factory “Beomark Industry Ltd” Mosna (2004).
- Landscaping project of a part of the XV Belgrade High School schoolyard. Institute of Forestry, Belgrade. Projects within the `Million Trees for Serbia` programme (2008).
- Project for planting avenue seedlings in the municipality of Stari Grad. Institute of Forestry, Belgrade. Projects within the `Million Trees for Serbia` programme (2008).
- Project of biological reclamation of the open-pit mine “Jelenska stena” near Golubac. Institute of Forestry, Belgrade. Investor: Mining and Geology team Ltd., Belgrade (2008).
- Designing open areas of the City Centre - the downtown park from the bridge on the river Crnica to the business centre “Gallery”. Institute of Forestry, Belgrade. Investor: PE Directorate for construction of Paracin (2011).
- Study of the growth of existing trees and the possibility of a wider use of bald cypress (*Taxodium distichum* (L.) Rich) in the suitable sites of different-category green spaces under the management of the PUC “Belgrade Greenery”. Institute of Forestry, Belgrade. Investor: PUC “Greenery Belgrade”, Belgrade (2012).
- Elaborate - Recording and valorisation of existing forest vegetation on the geodetic record of the area of Sports and Recreation Center “Košutnjak” produced for realization of 4 urban projects (UP1, GP 2, zone B, unity b5); (UP2, GP 3, zone B, unity b2); (UP3, GP 4, zone B, unity b4); (UP4, GP 5, zone B, unity b1). Institute of Forestry, Belgrade. Investor: Otvoreni atelje grada Arhitekton doo (Open City Atelier Arhitekton Ltd.) (2016).

Conferences

- XI Congress of the Society for Soil Studies of Serbia and Montenegro with international participation, Budva, Serbia and Montenegro, 13-16th September 2005.
- XIII International Conference on the natural values and environmental protection “Ecological Truth” Eco-Ist '05, Bor Lake, Technical Faculty, Bor, Serbia, 1-4th June 2005.
- II International Symposium of Ecologists of The Republic Of Montenegro, Kotor, 20-25th September 2006.
- IV Balkan Botanical Congress, Institute of Botany, Sofia, Bulgaria, 20-26th Jun 2006.
- International Scientific Conference, Sustainable Use of Forest Ecosystems – The Challenge of the 21st Century, Donji Milanovac, Serbia, 8-10th November 2006.
- Scientific Gathering with International Participation “Implementation of Remediation in Environmental Quality Improvement”, Serbian Chamber of Commerce Belgrade, 27th November 2006.
- Conference “Remediation of soil and water”. Serbian Chamber of Commerce, Belgrade, Serbia, 21th March 2006.
- BALWOIS – International Scientific Conference on Water Observation and Information System for Decision Support, Ohrid, Republic of Macedonia, 23-26th May 2006.
- International Scientific Conference “Management of forest ecosystems in national parks and other protected areas”, Jahorina – Tjentište, Bosnia and Herzegovina, 05-08th July 2006.
- International Scientific Conference Integral protection of forests – scientific-technological platform, Belgrade, Serbia, 12th December 2007.
- 5th Balkan Botanical Congress, Belgrade, Serbia, 07-11th September 2009.
- International Scientific Conference “Balkans – Hot Spots of Ancient and Present Genetic Diversity”, Sofia, Bulgaria, 17-20th June 2009.
- 5th Dubrovnik Conference on Sustainable development of energy water and environment systems, UNESCO sponsored Conference, Dubrovnik, Croatia, 29th September - 2nd October 2009.
- International Conference Forestry: Bridge to the Future, Sofia, Bulgaria, 13-15th May 2010.
- International Conference “Degradede areas & Ecoremediation”. Faculty of Applied Ecology Futura, Belgrade - Viminacium, Serbia, 21-22nd May 2010.
- International Scientific Conference “Forest Ecosystems and Climate Changes”, Institute of Forestry, Belgrade, Serbia, 9-10th March 2010.
- 42nd International October Conference on Mining and Metallurgy (IOC 2010), University of Belgrade - Technical Faculty in Bor, Serbia. 10-13th October 2010.
- First Serbian Forestry Congress - Future with Forests, University of Belgrade, Faculty of Forestry, Belgrade, Serbia, 11-13th November 2010.

- 8th International Geographical Conference & Workshop CONGEO 2011, Brno, Czech Republic, 1-5th August 2011.
- International Conference Sustainable Aggregates Resource Management, SARMA, Ljubljana, Slovenia 20-22nd September 2011.
- 1st International Scientific Conference Land, Usage and Protection, Andrevlje, Serbia, 21-23th September 2011.
- 43rd International October Conference on Mining and Metallurgy, Kladovo, Serbia, 12-15th October 2011.
- BALWOIS – International Scientific Conference on Water Observation and Information System for Decision Support, Ohrid, Republic of Macedonia, 28th May - 2nd June 2012.
- International Scientific Conference Forests in the Future – Sustainable Use, Risks and Challenges, Institute of Forestry, Belgrade, Republic of Serbia, 4-5th October 2012.
- 5th International Mechanical Engineering Forum, Prague, Czech Republic, 20-22nd June 2012.
- International Conference “Ecology - Interdisciplinary Science and Practice”, Sofia, Bulgaria, 25-26th October 2012.
- International Conference on Land Conservation – LANDCON 1209, Sustainable Land Management and Climate Changes, Danube Region, Republic of Serbia, 17-21st September 2012.
- International Scientific Conference „Geography: linking tradition and future“, European Association of Geographers (EUROGEO), Bruges, Belgium, 9-11th May 2013.
- International Scientific Conference Forest Research Institute at The Bulgarian Academy Of Sciences 85th Anniversary, Sofia, Bulgaria, 1-2nd October 2013.
- IV International Scientific Symposium “Agrosym 2013”, Jahorina, Bosnia and Herzegovina, 3-6th October 2013.
- 9th International Soil Science Congress on “The Soul of Soil and Civilization”, Side, Antalya/Turkey, 14-16th October 2014.
- Fifth International Scientific Agricultural Symposium “Agrosym 2014”, Jahorina, Bosnia and Herzegovina, 23-26th October, 2014.
- International Scientific Conference Forestry: Bridge to the Future. 90 Years Higher Forestry Education in Bulgaria, Sofia, Bulgaria, 6-9th May 2015.
- 9th International Symposium on Plant – Soil Interaction at Low pH. Dubrovnik, Croatia, 18-23rd October 2015.
- VI International Scientific Agricultural Symposium “Agrosym 2015”, Jahorina, Bosnia and Herzegovina, 15-18th October 2015.
- International Conference Waste Waters, Municipal Solid Wastes and Hazardous Wastes, Budva, Montenegro, 21-23rd April 2015.
- International Conference Waste Waters Municipal Solid Wastes and Hazardous Wastes. Vršac, Serbia, 13-15th April 2016.
- International conference Balkan economic reconstruction and ecology - 2016 (BALKANERECO '16). Balkan Academy of Sciences and Culture, Sofia, Bulgaria, 7-8th April 2016.

Seminars	<ul style="list-style-type: none"> - Seminar Landscape horticulture of Serbia, Faculty of Forestry, Belgrade, Serbia, 11-12th February 2010. - Academic skills course - Course organized by the Consultative Bureau for international projects - Department of International Cooperation and European Integration, Ministry of Science and Technological Development, Belgrade, Serbia, 17-18th June 2009. - Strategic Network Woody Biomass, IN2WOOD, Belgrade, Serbia, 19-20th March 2012. - Protection of invention by patent in the field of biotechnology - Seminar organized by The Intellectual Property Office of Republic of Serbia, Belgrade, Serbia, 25th April 2017.
Honours and awards	<ul style="list-style-type: none"> 1999 - "EX PONTO" award for NGO and NPO "First Aid - Real Help", the award is given annually to individuals or organizations that have distinguished themselves during the year, particularly in working with refugees and displaced persons 2004 - Belgrade Chamber of Commerce award for the best graduation thesis of the faculty and college students in year 2003/2004. The award is given annually for the best doctoral dissertation, master's thesis and graduation thesis of faculty and advanced school students, which are applicable or of significance to Belgrade's economy. 2012 - Certificate of Appreciation as a recognition of the valuable contribution to the FP7 Project IN2WOOD 2013 - Energy Globe Award for the project „Zero CO2 Emission Sustainable Eco-Settlement Zagora“. One of today's most prestigious environmental awards is given annually within a country to successful sustainable projects which conserve and protect resources or that employ renewable energy. 2016 - Belgrade Chamber of Commerce award for the best doctoral thesis of the faculty students in year 2015/2016. The award is given annually for the best doctoral dissertation, master's thesis and graduation thesis of faculty and advanced school students, which are applicable or of significance to Belgrade's economy.
Memberships	<ul style="list-style-type: none"> - World Association of Soil and Water Conservation (WASWAC) - International Union of Forest Research Organization (IUFRO) - European Forest Institute (EFI) - Association of Forestry Engineers and Technicians of Serbia - Serbian Association of Landscape Architects
